**Subject: Request for support to Eastern Africa Regional Statistics Program for Results
(EARSPR) Disbursement Linked Results (DLRs) Verification Mission
Dodoma, Tanzania; 4 – 8 August 2025**

Dear Dr. Msengwa,

Greetings from the African Centre for Statistics (ACS) at UNECA.

The United Nations Economic Commission for Africa (UNECA) has signed a five-year Project Cooperation Agreement (PCA) with the East African Community (EAC) to provide technical assistance on the implementation of the Eastern Africa Regional Statistics Program for Results (EARSPforR) in Kenya, Rwanda and Tanzania. Under the PCA, the UNECA through the ACS undertakes quarterly independent verification of program results using the agreed protocols and upon request of the country recipients through the EAC.

With reference to the official requests for verification of achieved results by the National Bureau of Statistics, the United Republic of Tanzania (Ref. CA343/376/01/59, 23rd July 2025) submitted and received through EAC, RPCU Secretariat, we are pleased to inform you that the ACS team of experts will have a mission in Dodoma, Tanzania from 4 – 8 August 2025. The ACS Team will undertake verifications of program results, consisting of statisticians, including David Boko, Lerato Martha, Michael Sijje Ogen, Akrem Abdusemed, Robel Equbasilassie, Asalfew Abera and Fatouma Sissiko (Lead).

In this regard, we would like to kindly request your office to provide the necessary support and collaboration to the ACS team during their mission in Dodoma, Tanzania.

Thank you for your kind understanding and cooperation.

Sincerely yours,

Tinfissi Joseph Ilboudo,
Officer-in-Charge
African Centre of Statistics
