Prof. Samuel Kobina Annim
Director, African Centre for Statistics
United Nations Economic Commission for Africa (UNECA)
Menelik II Ave.
P.O. Box 3001
Addis Ababa
Ethiopia

Dear Prof. Samuel Kobina Annim,

**RE: REQUEST FOR IMPLEMENTATION AND TECHNICAL SUPPORT ON THE
PERFORMANCE MANAGEMENT DASHBOARD AT ZIMSTAT**

The above subject matter refers.

The Zimbabwe National Statistics Agency (ZIMSTAT) extends its sincere appreciation to the United Nations Economic Commission for Africa (UNECA) for its continued leadership and support in driving innovation and modernisation within National Statistical Systems of Zimbabwe and across the region.

As part of our efforts to strengthen institutional performance, efficiency and accountability, ZIMSTAT is eager to adopt the Performance Management Dashboard developed by UNECA. The Performance Management Dashboard is designed to provide real-time insights into ZIMSTAT's Key Performance Indicators (KPIs) and supporting indicators, offering management an interactive tool for tracking organizational performance and supporting evidence-based decision-making. We have observed the positive impact this tool brings in promoting transparency, performance monitoring and effective management, key pillars for a modern and responsive statistical agency.

In this regard, ZIMSTAT kindly requests UNECA's technical support in:

1. Implementing the Performance Management Dashboard within ZIMSTAT's operational environment.
2. Providing technical training for ZIMSTAT staff to ensure effective use, management and long-term maintenance of the system.

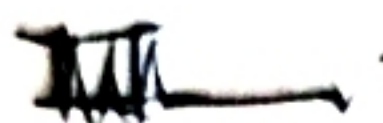

We are confident that adopting this tool will greatly enhance our internal planning, monitoring and reporting processes, further aligning ZIMSTAT with regional and international best practices in statistical modernisation and institutional performance management. After successful implementation, ZIMSTAT would be pleased to collaborate with UNECA in supporting the rollout of the Performance Management Dashboard to other organizations or countries that may wish to adopt the same system.

Board of Directors:

Mr J. Mafarikwa (Chairman); Mr N. Mnkandla (Vice Chairman); Dr N. Mupunga; Mr E. Manjoro, Mr E. Chuzo, Dr S. Showa; Mrs F. Jambwa; Mrs T. Chitsamatanga; Mrs M. Bakali; Mrs T. Bandama (Director-General)

Once again, we commend UNECA for its leadership in fostering innovation and digital transformation within ZIMSTAT and other National Statistical Offices in the region. We look forward to continued collaboration and support as we strengthen data-driven management and service delivery.

Yours sincerely,

Jonathan Madi
Director, Human Resources
For Director-General
Zimbabwe National Statistics Agency (ZIMSTAT)
